Amy Brewitt Genealogy Research Services Helping you discover your ancestors! Trace Your Family Tree• Have you ever wondered what country your ancestors came from, where family members went, or how they got there?• Are there names in your family that have been passed down through the generations?• Do you want to uncover the truths behind a family tale?• Would you like to know the occupations of your ancestors?• Is there a street or town named after someone in your family? I can help you trace answers to these questions by searching through many types of genealogical records! I specialize in records from Canada (especially Ontario), the United States, England, Scotland, Wales, and Ireland, but I am always willing to pursue other records. Makes a Great Gift! Perfect for birthdays, weddings, anniversaries, graduations, or other occasions! [Click Here to Start the Research Process FREE INITIAL CONSULTATION!](#)
